

## Cactus Skin Care Clinic

All beauty therapists are highly trained and experienced and will be pleased to offer a free consultation on all treatments.

**Facial Treatments**

**Face Cleaning**  
A mini-facial including cleanse, tone, extraction and mask  
Rene Guinot Eye

**Cathodermie**  
Restricted only to the area around the eyes. Good for shadows and discolouration, fine lines and wrinkles. Horse chestnut, chamomile and cornflower, all soothing, cooling and refreshing around the eyes.

**Aromatic Facial**  
Deep cleanse, steam extraction, massage with pure aromatic oils, mask, tone and moisture.  
Rene Guinot Fruit - Acid Peel  
Based on the use of fruit acids and fruit enzymes, gives a peeling effect with a regenerative effect for the deeper epidermis for all skin types and all ages.  
Rene Guinot

**Cathodermie Facial**  
A complete facial treatment using galvanic and high frequency current, deeply cleansing and re-hydrating deeper layers of the skins to speedup cellular regeneration.  
Rene Guinot Super - Cathodermie  
Combines all the above in one treatment  
(Face, eye and neck)

**Specialised Treatments**

**Reflexology**  
A form of massage restricted to the soles of foot pressing nerve endings and reflexes corresponding to the different organs of the body. This restores circulation of the blood, thus promoting healing.

**Perfector Face Lifting**  
The pre-eminant non surgical micro current lifting facial reducing lines, wrinkles, lifting jowls and cheeks  
Perfector Skin Enhancement  
Smooths, tightens and refines skin texture resulting in a brighter complexion - a preventative ant-ageing facial  
Aromatheraphy  
Specialised form of massage using aromatic oils to intensify the benefit of massage to calm the nerves and restore even the most tired bodies  
Perfector Purikiss Facial  
A three phase detoxifying facial treatment using the combined effect of pulsed micro current and uninterrupted direct galvanic current.  
Body Treatment

**G-5 Vibro Massage - ½ hr**  
A deep penetrating vigorous massage for spot reducing and cellulite; offered in courses.  
Depilation - 1 hr  
Electrolysis:- the only permanent way to remove unwanted hair.

**Swedish Massage - 1 hr**  
This massage relaxes and helps to relieve muscle tension and stress.
