Alan Jon is one of the most respected figures in hairdressing in Kenya. He has enjoyed a diverse and far reaching career that includes Margaret Thatcher as a Client. Alan Jon Hair Design's philosophy is about styling hair that is realistic and beautiful. Be it natural, sleek, or tousled and sexy, it's always simple to wear, stunning to look at and easy to manage. With hair as an integral part of our personal identity, our goal is to create successful haircuts that work for the individual. While it may take courage to change your image, re-inventing your look keeps us interesting to others and ourselves. Hair styling and coloring gives you that opportunity to experiment with your hair and at Alan Jon's you have the freedom to choose. By accommodating your needs, we make you look and feel better than you ever dreamed possible.
